

# SDC and Office Building Project OFFSITE IMPROVEMENTS

## CONSTRUCTION ADVISORY

**Week of:** Monday August 30, 2010 – Sunday September 5, 2010

**Jobsite Location:** 14<sup>th</sup> Ave. S.E. and Jefferson St. S.E.

**Project Standard Work Hours:** 7:00 a.m. – 5:30 p.m.

### **Major Work Activities This Week:**

- Construction of the north half of the roundabout at the intersection of Jefferson Street SE and 14<sup>th</sup> Avenue SE will continue this week. **Jefferson Street SE between 13<sup>th</sup> and 14<sup>th</sup> Avenue will remain closed during this work with traffic being diverted from Jefferson Street SE to Union and then Plum Street for access to I-5.** This street closure will last approximately 6 more weeks as demolition of the existing roadway, grading and final surface improvements for the north half of the intersection and construction of this section of the roundabout continues.
- Work for the undergrounding of power, data and communication lines will remain ongoing. During PSE's completion of power undergrounding, work will predominantly occur on Jefferson Street SE south of 16<sup>th</sup> Avenue and on 16<sup>th</sup> Avenue east of Jefferson Street; as service providers pull new underground data and communication lines, work areas will expand to occur along Jefferson Street SE between 13<sup>th</sup> and 16<sup>th</sup> Avenue as well as North 14<sup>th</sup> Avenue and 16<sup>th</sup> Avenue east of Jefferson Street.
- Installation of storm water drainage structures/piping will continue, the majority of storm drainage work this week will occur at the intersections of Jefferson Street and North 14<sup>th</sup> Avenue and Jefferson Street and 16<sup>th</sup> Avenue. Signs will be in place notifying vehicles of traffic revisions during work in the roadway.
- Surface demolition, grading for curbs and sidewalks will remain ongoing on Jefferson Street S.E. between 14<sup>th</sup> Avenue and 16<sup>th</sup> Avenue and may expand to occur along North 14<sup>th</sup> Avenue east of Jefferson Street later in the week, depending on the weather.
- Trucks will be importing material throughout the week and revisions to traffic control during working hours may occur as needed to facilitate the construction.

### **Non-Standard Work Hours and Activities:**

- Ongoing work for roundabout construction and street improvements may occur on Saturday, September 4<sup>th</sup>, depending on the weather.

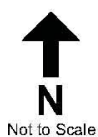

### **Street Closures / Impacts:**

- Construction of the roundabout at the intersection of Jefferson Street SE and 14<sup>th</sup> Avenue SE will remain in progress during this week. Changes in lane configurations as shown on the attached maps will be in place and traffic may be stopped intermittently during work in the roadway. Traffic signals at the intersection will continue to be in service during non-working hours. Signed detours will be posted. **ALTERNATIVE ROUTES ARE ENCOURAGED.**
- The intersection of Jefferson Street SE and 14<sup>th</sup> Avenue SE will continue to be controlled by a traffic control officer or set to a flashing mode as necessary during construction activities to help facilitate the flow of vehicle, bicycle and pedestrian traffic. Pedestrians will continue to be flagged through the intersection during construction; bicyclists will be flagged when using crosswalks. **All vehicle, bicycle and pedestrian traffic are reminded to please watch and obey traffic control officers and flaggers.**
- Jefferson Street traffic lanes and sidewalks between 13<sup>th</sup> Avenue and 14<sup>th</sup> Avenue will remain closed during construction of the north half of the roundabout and Jefferson Street improvements currently scheduled to be in early October 2010.
- Jefferson Street traffic lanes and sidewalks between 14<sup>th</sup> Avenue and 16<sup>th</sup> Avenue will remain closed until the completion of the final roundabout construction and Jefferson Street improvements currently scheduled to be in mid December 2010.

## NOTES

1. Bicycle detour sign to be placed at trail head.
2. Jefferson St. sidewalks to remain closed to pedestrians during road closure.
3. See Detour Plan for details.

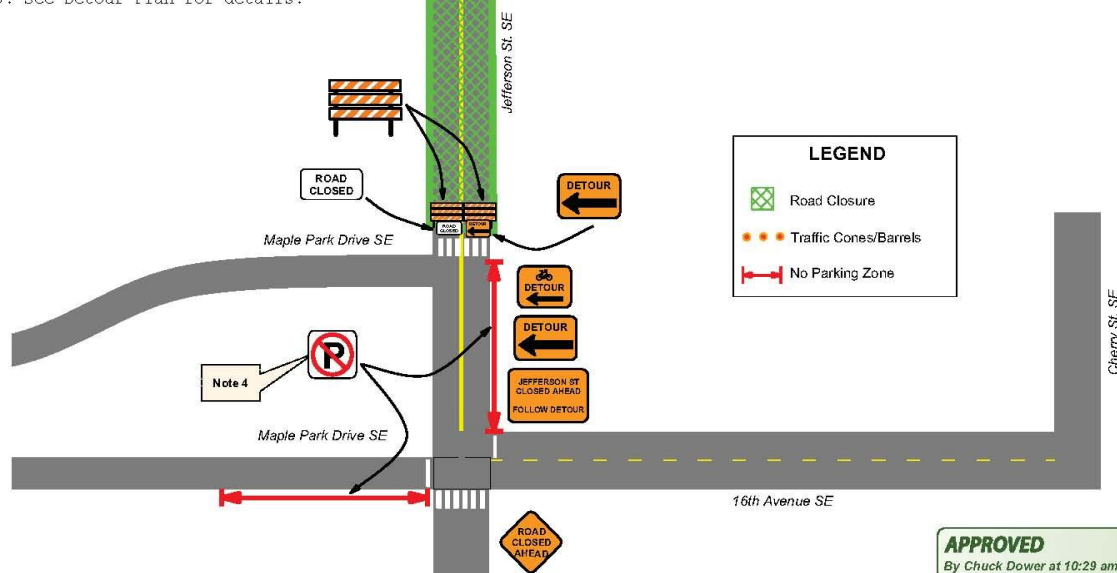

Not to Scale
